AMENDMENT: SUBSTITUTE SPECIFICATION UNDER 37 C.F.R. § 1.125(a)

Hon. Commissioner of Patent
Washington DC 20231

Dear Sir:

This is in response to the Office Communication mailed September 6, 2001. The Examiner requested that a substitute specification excluding the claims be filed because the specification as filed contains improper formatting and allegedly contains new matter. This paper and the accompanying enclosures provide a proper substitute specification.
